Research interests

My research interests lie at the intersection of cognitive psychology and sociolinguistics. I investigate and challenge the boundaries between dialects and languages with EEG, behavioral methods, and field work. My particular areas of study include syntactic variation, code-switching, and network models of language.

Education

The Pennsylvania State University   *University Park, Pennsylvania*

PH.D., PSYCHOLOGY AND LANGUAGE SCIENCE, SPECIALIZATION IN COGNITIVE AND AFFECTIVE NEUROSCIENCE   *2018 - present*

- Advisor: Dr. Janet G. van Hell

The Pennsylvania State University   *University Park, Pennsylvania*

M.S., PSYCHOLOGY   *2018 - 2020*

- Advisor: Dr. Janet G. van Hell
- Master's thesis: *We "might could" revisit syntactic processing: Studying dialectal variation with event-related potentials*

The University of Chicago   *Chicago, Illinois*

B.A., PSYCHOLOGY, MINOR IN LINGUISTICS   *2011 - 2015*

- Advisor: Dr. Daniel Casasanto
- Honors thesis: *Does linguistic experience change mental representations of pitch?*

Honors and awards

NSF-funded Partnerships for International Research and Education (PIRE) Fellowship   *The Pennsylvania State University*

EIGHT-WEEK FELLOWSHIP TO CONDUCT FIELD RESEARCH IN COLOMBIA IN SUMMER 2020   *Postponed due to COVID-19*

Bruce V. Moore Graduate Fellowship in Psychology   *The Pennsylvania State University*

TRAVEL AWARD FOR POSTER PRESENTATION AT PSYCHONOMIC SOCIETY 60TH ANNUAL MEETING   *Nov 2019*

University Graduate Fellowship   *The Pennsylvania State University*

FIVE-YEAR FELLOWSHIP FOR RESEARCH DOCTORAL STUDENTS   *Aug 2018 - present*

University Scholar Award   *The University of Chicago*

FOUR-YEAR MERIT SCHOLARSHIP   *Sep 2011 - Jun 2015*

Publications

Zaharchuk, H. A., & Karuza, E. A. (in press). Multilayer networks: An untapped tool for understanding bilingual neurocognition. *Brain and Language*.

Zaharchuk, H. A., Shevlin, A., & Van Hell, J. G. (in press). Are our brains more prescriptive than our mouths? Experience with dialectal variation in syntax differentially impacts ERPs and behavior. *Brain and Language*.

Lucero, C., **Zaharchuk, H.**, & Casasanto, D. (2014). Beat gestures facilitate speech production. In P. Bello, M. Guarini, M. McShane, & B. Scassellati (Eds.), *Proceedings of the 36th Annual Meeting of the Cognitive Science Society*. Red Hook, NY: Curran Associates.

Presentations

Zaharchuk, H. A., Shevlin, A., & Van Hell, J. G. (2020, May). *We "might could" revisit syntactic processing: Studying dialectal variation with event-related potentials*. Poster session presented at the 27th Annual Meeting of the Cognitive Neuroscience Society, Boston, Massachusetts.

Zaharchuk, H. A., Shevlin, A., & Van Hell, J. G. (2019, November). *Auditory comprehension of double versus single modal constructions in Mainstream American English listeners*. Poster session presented at the 60th Annual

Meeting of the Psychonomic Society, Montréal, Québec, Canada.

Zaharchuk, H. A. (2015, June). *Does linguistic experience change mental representations of pitch?* Poster session presented at the University of Chicago Undergraduate Research Symposium, Chicago, Illinois.

Research experience

Bilingualism and Language Development Lab *University Park, Pennsylvania*

GRADUATE STUDENT *Aug 2018 - present*

- Principal investigator: Dr. Janet G. van Hell
- Research areas: language processing and dialectal variation
- Responsibilities: design, implement, and run EEG and behavioral experiments with E-Prime; process and analyze experimental data with R and MATLAB; mentor undergraduate research assistants; maintain lab equipment and supplies

Experience and Cognition Lab *Chicago, Illinois*

UNDERGRADUATE RESEARCH ASSISTANT *Sep 2013 - Jun 2015*

- Principal investigator: Dr. Daniel Casasanto
- Research areas: embodied cognition and linguistic relativity
- Responsibilities: train, run, and debrief participants; code and analyze experimental data with ELAN and R; create new experiments with Python

Professional experience

Consumer Financial Protection Bureau *Washington, District of Columbia*

FINANCIAL ANALYST *Jul 2017 - Jul 2018*

- Collaborated with the Consumer Education and Engagement Division to write a spotlight report on language access for limited English proficient consumers as a member of the Language Access Task Force
- Researched debt collection and debt relief, particularly in the credit card and student loan markets, for the Consumer Lending, Reporting, and Collections Markets team

Consumer Financial Protection Bureau *Washington, District of Columbia*

DIRECTOR'S FINANCIAL ANALYST *Jul 2015 - Jul 2017*

- Supported the policy and research teams in the Office of Fair Lending and Equal Opportunity
- Performed business analytics, tracking, and reporting in the Supervision, Enforcement, and Fair Lending Front Office

Research Development Support (formerly Arete) *Chicago, Illinois*

PROGRAM AND OPERATIONS ASSISTANT *Feb 2013 - Jun 2015*

- Partnered with The University of Chicago research administration support faculty members pursuing complex research initiatives
- Provided program analysis, strategic planning, business metrics, and event support

Teaching experience

Basic research methods in psychology *The Pennsylvania State University*

TEACHING ASSISTANT *Aug 2020 - Dec 2020*

- Instructor: Dr. Nicholas Pearson
- Introduction to experimental design, analysis, and presentation
- Led weekly laboratory section to reinforce lecture concepts

What makes us human? *The Pennsylvania State University*

TEACHING ASSISTANT *Jan 2020 - May 2020*

- Instructor: Dr. Daniel Weiss
- Senior seminar in comparative psychology

Neurological bases of human behavior *The Pennsylvania State University*

TEACHING ASSISTANT *Aug 2019 - Dec 2019*

- Instructor: Dr. Stephen Wilson
- Introduction to neuroscience theories and methods
- Presented guest lecture on auditory system and neuroanatomy of language production and comprehension

Outreach

Bilingualism and Language Development Lab   *University Park, Pennsylvania*

The Brain Bus coordinator   *Aug 2018 - present*

- Maintain *The Brain Bus*, BiLD's mobile neuroscience lab for field research and language science public engagement
- Participate in community outreach events, including as a volunteer judge at the Young Scholars of Western PA science fair

Center for Language Science   *University Park, Pennsylvania*

Graduate assistant   *Aug 2019 - Dec 2019*

- Managed the Center's social media presence to engage the wider regional community in language science research
- Created and solicited content for the Winter/Spring 2020 Bilingualism Matters newsletter

Community service

Next Step Public Charter School   *Washington, District of Columbia*

Mathematics tutor   *Jan 2017 - Jul 2018*

- Volunteered as a mathematics tutor with the bilingual GED and ESL program for immigrant and other at-risk youth
- Provided one-on-one assistance with practice problems and assignments once per week for 1-2 hours

Community Tax Aid   *Washington, District of Columbia*

Volunteer tax preparer   *Jan 2016 - Apr 2018*

- Volunteered as an IRS-certified advanced volunteer tax preparer with the Volunteer Income Tax Assistance (VITA) program, which offers free tax help to individuals who make $54,000 or less, individuals with disabilities, and limited English speaking individuals who need assistance in preparing their own tax returns
- Provided tax preparation services once per week for 3-4 hours during tax season

Skills

Programming: R, MATLAB, Python, LaTeX, SQL, E-Prime, Praat, ELAN

Languages: English (native proficiency), Spanish (intermediate proficiency)
